

Annexure – 5

Corporate Social Responsibility

Businesses cannot be successful when the society around them fails and CSR isn't a particular programme but a concept, it's what we do every day, maximising positive impact whereby companies integrate social and environmental concerns in their business operations and interactions with their stakeholders. Tejas relentless pursuit has always been to not just become a leading telecom networking Company but also one that cares for society and its mission is to build an inclusive society and to make a meaningful difference to the community around us. Tejas partners with its stakeholders to create shared benefit by generating economic value, community investment and optimally utilizing the resources which are an integral part of our stakeholder engagement initiatives.

1. Brief outline on CSR Policy of the Company.

Tejas has adopted CSR initiatives so as to attain sustained economic performance, environmental and social stewardship. The Company engages with society beyond business as it believes a good business needs to create higher impact in building a better future for communities in its environment. The Company works towards removing malnutrition, improving healthcare infrastructure, supporting primary education, rehabilitating abandoned women and children, and preserving Indian art and culture. The Company's focus has always been to contribute to the sustainable development of the society and environment, and to make our planet a better place for future generations. The CSR activities shall be undertaken within the territory of the Republic of India, and the Company shall give preference to the local area/ areas around which it operates, for spending the amount earmarked for CSR activities.

Tejas' CSR activities will focus on:

- **Hunger, Poverty Malnutrition and Health:** Eradicating extreme hunger, poverty and malnutrition, promoting preventive healthcare and sanitation, Disaster Management and making available safe drinking water.

- **Education:** Promoting and engaging in deep and meaningful systemic work in the area of school and college education including special education and employment enhancing vocational skills especially among children, women, elderly and the differently abled, livelihood enhancement projects, contributing towards improving the infrastructure of schools by building additional classrooms and other infrastructure (such as public libraries), providing study and play materials, and providing special care to introduce digital technology in primary and secondary education for improving quality of education.

- **Environmental Sustainability:** Ensuring environmental sustainability, ecological balance, and conservation of natural resources and maintaining the quality of soil, air and water.

- **National Heritage, Art and Culture:** Protecting national heritage, art and culture including restoration of buildings and sites of historical importance and works of art, setting up public libraries and promoting and developing traditional arts and handicrafts.
