### **Tejas Networks wins Voice and Data Excellence award for its Carrier Router Portfolio**

**Bengaluru, March 21, 2024:** Tejas Networks [BSE: 540595, NSE: TEJASNET] today announced that the company has won the prestigious 2023 Voice and Data Excellence award in the “**Make in India**” category for its state-of-the-art TJ1400 Access and Aggregation Routers. The award was conferred at the 23<sup>rd</sup> edition of Voice and Data’s Telecom Leadership Forum held in New Delhi earlier today.

Arnob Roy, COO & Executive Director of Tejas Networks said, “We are delighted to win the prestigious Voice and Data award for our Carrier Routing products which is a strong endorsement of our world-class capabilities in a highly complex and critical technology area. The advent of 5G, coupled with an accelerated adoption of multi-gigabit home broadband and enterprise cloud services, has significantly expanded the addressable market for our high-capacity packet switching and routing products. Our terabit-scale access and aggregation routers are designed with several innovative features to enable service providers to build high-performance and cost-efficient IP networks. Based on our pioneering Software-defined Hardware™ architecture, TJ1400’s novel ultra-converged broadband architecture is powering large-scale 4G/5G mobile RAN, backhaul and broadband rollouts globally.”
